

USAMA KASBATI

WEB DEVELOPER

PROFILE

Experienced Frontend Developer with a strong passion for creating dynamic, responsive, and user-centric web applications. Adept at transforming design concepts into functional and visually appealing websites while ensuring optimal performance across devices. Skilled in collaborating with cross-functional teams to deliver seamless digital experiences. Committed to writing clean, efficient code and continuously improving development processes to meet evolving user needs and industry standards.

WORK EXPERIENCE

Cypheatronics Pvt Ltd

2024 - PRESENT

Head Of Development

As Head of Development at Cypheatronics Pvt Ltd, I lead the development team to deliver innovative software solutions. I oversee the entire development lifecycle, ensuring high-quality execution. My role involves strategic planning and collaboration with cross-functional teams. I focus on driving technological growth and meeting project goals efficiently.

Metro Web Technologies

2023- 2024

Team Lead Web Development

As Team Lead Web Development at Metro Web Technologies, I oversee the development team to deliver robust web solutions. I manage project timelines, ensure coding standards, and mentor junior developers. My focus is on driving team collaboration and ensuring the timely delivery of high-quality web applications.

Vibrant Tech

2021 - 2023

Web Developer

As a Web Developer at Vibrant Tech, I was responsible for building and maintaining dynamic websites and web applications. I collaborated closely with designers and developers to ensure a seamless user experience and efficient functionality. My role involved writing clean, scalable code and optimizing web performance for a variety of client projects.
